Greetings from the President

Established in 2016, AKK Bunka Gakuin provides a wide range of support and thorough academic guidance in a warm and homely atmosphere with full classes taught by veteran instructor. We will encourage many of our graduates to go on one of Japan's most prestigious universities, and we will support them so that they can actively enjoy the life as international students. Our aim is to develop human resources with an international mindset by helping them to improve their Japanese language skills, advance to the school of their choice, succeed in society, and find employment in Japan.

SCHOOL'S LOCATION AND IT'S ENVIRONMENT

Namba, which is within walking distance from AKK Bunka Gakuin, is directly connected to Kansai International Airport by train, making it possible to access not only the United States and China, but also the rest of the world. 15 minutes walk to Namba, 1 minute by subway.

Stations near the school (Subway, Hanshin Railway Sakuragawa Station), 2 minutes walk to school, 10 minutes by bicycle from school to dormitory

Osaka has a network of bullet trains, trains, subways, and roads, making it easy to get to nearby cities such as Kyoto, Nara, and Kobe. Osaka has many attractive spots, but it is particularly popular is Osaka Castle.

In addition, there are many places that you should visit at least once, such as Kaiyukan, one of the world's largest aquariums, and Universal Studios Japan, which ranks fifth in terms of the number of

BENEFITS OF STUDY IN OSAKA

Osaka is the Japan's second largest city in the economics and cultural city of kinki region. It is a commercialized city. The merchants of osaka are very famous ,Compared to Tokyo. The prices and rents in osaka are slightly lower and the hourly wages for the part-time jobs are very high . From October 2019, the minimum wages in osaka has increased to 964 or 965 yen per hour.

There are many excellents universities in Osaka .Osaka University is one of Japan's seven former Imperial Universities and one of the highest standards education and research in Japan.

It has the world -class research -oriented national university. The overall ability ranking was 3rd in Japan, and the 1st Nobel laureate in japan was from Osaka University . The 2012 Nobel Biomedical Prize IPS cell researcher is a professor at Kyoto University.It is one of the four most prestigious private universities in Japan.It is comparable to Waseda University in Tokyo .

Universial Studios Japan is the first tourist attraction spots in osaka , and it is one of the four Universal studios theme parks in the world . You can see for the Harry Potter and Hollywood fans .

Studying in Osaka will not affect your leisure life . Shinsaibashi Umeda, Osaka's famous shopping area , is home to many fashion brand stores and restaurants .The most famous fashion district in osaka is Namba ,located near to AKK Bunka Gakuin .Most restaurants , department stores , convenience store ,etc.have introduced wechat pay, alipay , etc.90% of stores accept Chinese Union Pay cards .No overseas remittance fee is required .Osaka can be reached within an hour by train from the ancient capitals of Kyoto and Nara , and from the port city of Kobe.

The Osaka Kansai World Exposition in 2025 and the construction of Asia's largest casino in 2023 are planned.,so there is a great potential for development .Tourism , medical care , hotel management, economic management, telecommunication , real estate, etc.require large number of foreign workers , and the employment prospects for the international students are very bright.

STUDENT'S LIFE

Major events at AKK Bunka Gakuin includes entrance ceremony, graduation ceremony, speech competition , sports day and athletics.

When a new students enters the schools, the school will ask to police officers from the Osaka Police station to come in school and conducts traffic rules guidance to all the students. We will also provide health checkups.

In addition to classes, AKK Bunka Gakuin conducts field trips every year of May and November. While learning Japanese , you can also experience and learn about traditional Japanese culture . And from 2nd year, while the students are in school , we will open a traditional culture course taught by a Japanese teacher . For example, tea ceremony, flower arrangement, and kimono experience.

Every year , summer is an important time for international students to take exams. The school take students to attend large scale information sessions in the Kansai area. Over 100 prestigious universities will participate . Students , along with other international students , interact face to face with professors and examiners to each university.

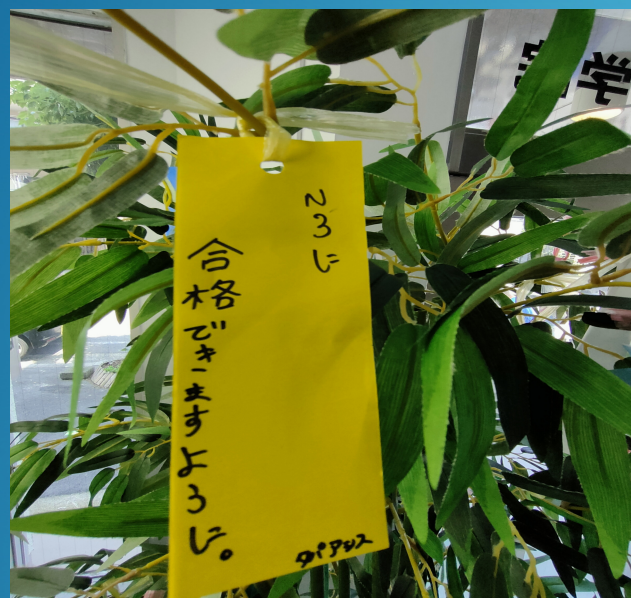

✿ Entrance Ceremony ✿

On the first day of school, there is an entrance ceremony, where the Principal and The chairman of the board of director make the speech statements and the new students take the entrance vow.

祝 AKK 文化学院 入学式

AKK ATHLETIC MEET

On September 20,2019 a skating competition was held at the skating rink in the gymnassium .
2018 Sports Festival like tug of war , basketball ,relay , gymnastic etc

Team sports are very strong in Japan . If you want to blend in with Japanese society and want to work at a Japanese company and demonstrate your abilities , first of all , go to town and follow the town .think .Therefore , the school holds an athletics meet once a year .Mixed teams of each country will be organized by class . Prize money for the winning team.

GRADUATION CEREMONY

The long Japanese school life will pass in the blink of an eye. Studying while working far away from home is a precious challenge for each student, and it was a mixture of tears and sweat. After the ceremony, a big barbecue party will be held on the school roof.

Traffic safety guidance

After the new students entered the school, police officers from the Osaka Police Station visit the school and teach the students about traffic safety guidance in Japan and preventive measures such as overseas life fraud.

Medical Checkup

The school regularly conducts health checkups for all teachers and students every year to prevent illness and lifestyle-related diseases. The hospital experience is also an opportunity to learn medical situation in Japanese.

PREPARATION FOR UNIVERSITY ENTRANCE EXAMS, EJU, JLPT EXAMS

1. The average fee for a cram school for studying abroad is about 300, 000 to 600, 000 yen per year. Students of AKK Bunka Gakuin can study at a cheap student discount at affiliated cram schools.
2. AKK Bunka Gakuin currently offers free preliminary exam classes for our students to prepare for international student exams so that they can enter excellent universities and graduate schools.
3. The EJU Examination for Japanese University Admission is important examination that international students must take in order to enter a university. A high score is required to enter a prestigious school. The EJU is for Japanese and general subjects in humanities or science. Can be divided into mathematics and essay writing.
4. The teacher will conducts interview guidance one by one for each student who is going to take the university entrance examination.

Student's Dormitory/Hostel

We have prepared an economical student dormitory to make your study abroad life more comfortable. Please refer to the student application guidelines for specific fees. Cheaper than a rental apartment, no initial cost required.

Separate toilet, bathroom, microwave oven, IH stove, air conditioner, bed, Wardrobe, washing machine for each room, also table and chairs.

Bicycles are convenient for going to school and part-time jobs. You can go anywhere in 15 minutes.

Part-Time Jobs for Students

Part-time jobs for international students are limited to 28 hours per week.

One month after entering the school, various dispatch companies will hold an information session at the school and recruit. Schools also introduce jobs for students.

Guidance on how to write a resume and interviews are also provided by lifestyle guidance teachers. There are many opportunities for part-time jobs because it is located in the center of Osaka city and is in a good location.

You can go for part-time jobs by bicycle. You can save transportation costs.

ADVANCEMENT GUIDANCE

Veteran instructors support students so that they can enter the university or vocational school of their choice.

1. Preparation classes: In order to aim to enter a national or public university or a famous private university, it is necessary to take measures according to each university. For that reason, we will take the measures according to the level of each person.

2. Interview practice: Many students at universities and other institutions conduct interview tests at the time of entrance examinations. Each school practice the points repeatedly and challenge the actual performance. 3. Correction Guidance: A statement of purpose, etc. is required for university entrance examinations and applications. Students at AKK are taught individually by a specialist instructor.

Experienced careers tutors will help you find a job in your desired industry

1. Manners and interview measures

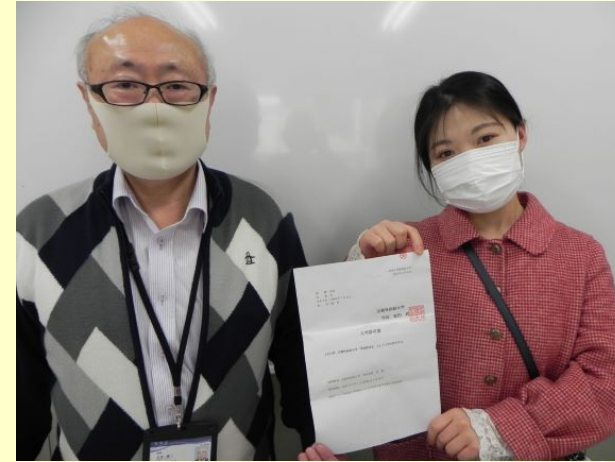

Teachers who have worked in companies for many years and lecturers who have experience in running a company gave instructions on how to pass the employment exam. You will learn how to prepare for interviews.

2. resume correction

It's not something you just write, so you'll be explain how to create a resume in line for the industry.

Fill in and complete a resume that suits each person.
